

The Garden State Sheep Breeders (GSSB) will be holding a Shepherd's Lead Contest on Sept. 9 at our 23rd Annual Festival (Sep. 9-10, 2017 at the Hunterdon County Fairgrounds)! The contest is funded by the American Sheep Industry (ASI) to promote the use of wool.

The competition requires the contestant to create a garment out of 100% natural fibers and display it while leading a fiber animal (animals can be provided by GSSB). We will be awarding premiums for the top 3 places in each class. For more info go to: <http://njsheep.net/festival/contests/shepherds-lead/>
